

Treat sticks for your birdies!

You will need:

Untreated lollipop sticks (or twigs from bird-safe trees)

OR moulds and string

2 cups of mixed seed (types appropriate for the lucky birdy)

Chopped roasted unsalted nuts

Pellets and/or raisins

Other dried fruit

Egg

Honey

Tree twigs – disinfect by baking in oven at 150° C for 30min

While that is happening, Mix all dry ingredients together, and then mix in the egg.

Get ready for some mess!

Press the mixture onto the twigs/sticks in whatever shape you choose

Oven bake at 200° C for 20-30min until toasted

Brush honey over the treat sticks and return to the oven for another 5 minutes

Cool then serve!
