

## Catnip Fishy for Kitty:

You will need:

- Small socks
- Dry Catnip
- Small bell wrapped in some glad wrap
- Crinkly plastic wrap (optional)

Half fill a sock with dry catnip, the bell and the plastic wrap.

Knot the sock on itself just above the filling.

You can even draw on eyes or add eyes made of felt.

Hang them, give as a floor toy or attach to a rope and stick to use as a chaser!
