

F10 antiseptic wipes

- 20 individually wrapped cleansing wipes that deliver high levels of disinfection whilst being gentle enough for everyday use.
- Used to clean, disinfect and deodorize skin and surfaces.
- Biodegradable and flushable.
- Effective against bacteria, fungi and viruses.
- Help clean and prevent infections in areas that are difficult to access e.g. wiping around eyes, between toes, skin folds or the external ear canals.
- Safe and effective
